RESUMEN

La obra consiste en una serie de doce dibujos (tinta sobre papel). Cada dibujo mide 29.7 cm x 42 cm. Las plantillas proponen —de forma sistemática, analítica y poética— posibles maneras de abordar e interactuar con un futuro desconocido, impredecible y absurdo. Las plantillas pueden crear algún sentido momentáneo y verse como herramientas para cuestionar y repensar métodos y procesos.

ABSTRACT

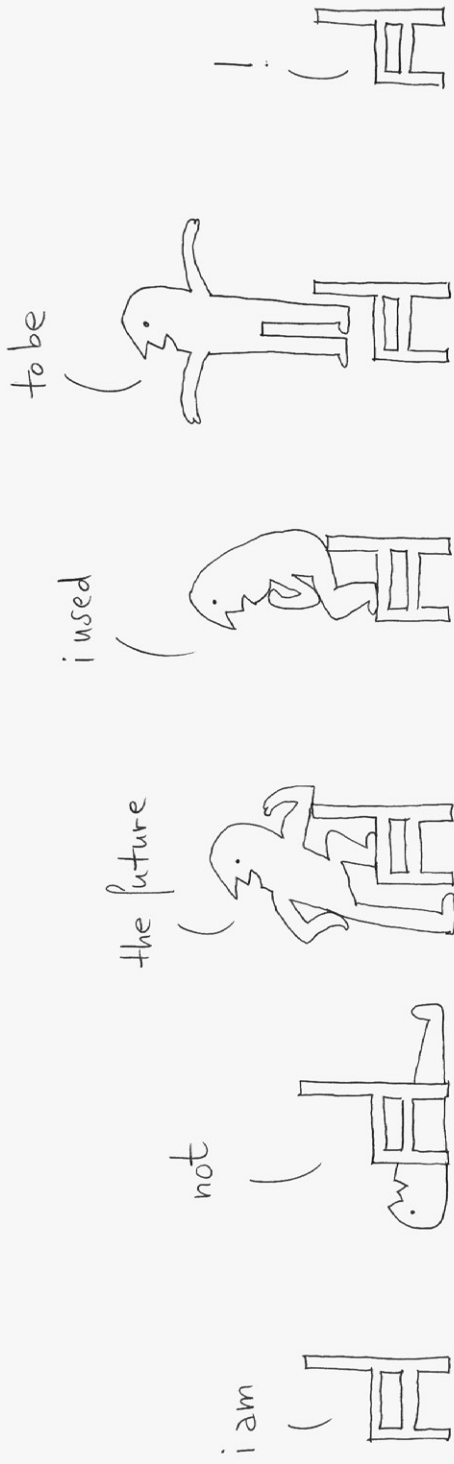

The work consists of a series of twelve drawings (ink on paper). Each drawing has the size of 29.7 x 42 cm. The templates propose – in a systematic, analytic and poetic manner – possible ways to deal and interact with an unknown, unpredictable and absurd future. The templates can create some momentary sense and be seen as tools for questioning and rethinking methods and processes.
